FREDDIE HIGHMORE, BILL NIGHY, MIRANDA RICHARDSON AND SIENNA MILLER HEAD LINE-UP IN "A FOX'S TALE"

LA-based FFI take worldwide sales and distribution right to magical animated feature

Los Angeles, CA - September 16, 2008: A top international cast that includes **FREDDIE HIGHMORE** (*The Golden Compass, Charlie & The Chocolate Factory, Finding Neverland*), Golden Globe and BAFTA Award-winner **BILL NIGHY** (*Pirates of the Caribbean, Love Actually, The Constant Gardener, Valkyrie*) **MIRANDA RICHARDSON** (*Harry Potter & The Goblet of Fire, The Hours, Sleepy Hollow*) and **SIENNA MILLER** (*The Edge of Love, Stardust, Alfie*) have provided the voices for "**A FOX'S TALE**" an exciting and magical new animated feature from Hungary's **George Gat** who directs the film from a screenplay he co-wrote with **Peter Doka**. Produced by Gat through his Dyn Entertainment and the UK's **Bill Chamberlain** through Pinewood-based Parallel Pictures, the international sales and distribution rights on the project have been snapped up by LA-based **Fantastic Films International (FFI)**.

Thirty-six months of principal photography commenced in June on 2005 and the cast recorded the voices for their characters at the UK's Pinewood Studios in August 2008. Celebrated composer Mike Moran (who co-wrote "Barcelona" with Freddie Mercury) is currently creating the score and original songs for "**A FOX'S TALE**".

Freddie Highmore voices "Little Jack", an adorable young fox who is busy enjoying a blissful life, chasing frogs, butterflies and playing in the forest with his loving family. Until one night when his perfect world is turned upside down when his father, "Jack" is captured and forced to join the circus. **Miranda Richardson** voices "Anna Conda", the cunning circus-owner whose desire for bigger and better performances leads her to kidnapping the forest animals. With the help of her magician husband, "The Ringmaster" (**Bill Nighy**), the animals are hypnotised into performing in her shows.

On his rescue mission "Little Jack" gets help from some unlikely heroes, including a nature loving boy in a wheelchair called "Alex" and "Arabella", a young acrobat. "Little Jack's" task of rescuing his beloved father leads him to make a new friends, including a gorgeous circus fox named "Darcey" (**Sienna Miller**). Together they set out to free all the animals so they can return home to the beautiful forest- just as nature intended.
